Public entities include municipalities, State power agencies, and municipal marketing authorities.

Cooperatives are electric utilities legally established to be owned by and operated for the benefit of those using its services. The cooperative will generate, transmit, and/or distribute supplies of electric energy to a specified area not being serviced by another utility.

Federal entities are either owned or financed by the Federal Government.

This table was updated on June 20, 2013. Typically, there is one year between updates.
